

# 2900 PSI RESIDENTIAL Power Washer

**GENERAC®**

Tackle a Variety of Home Cleaning Chores

# RESIDENTIAL POWER WASHER

2900 PSI

Generac's 2900 PSI power washer gives you cleaning power, reliability and—above all—ease of use in an affordable, compact unit you can use to clean everything from patio furniture to driveways and decks. The user-friendly design makes it easy to assemble, connect hoses, move almost effortlessly regardless of terrain, and clean longer and more comfortably.

## ERGONOMIC SPRAY GUN

Cushion grip and easy-to-pull trigger reduce fatigue and improve comfort

## INTEGRATED SPRAY GUN HOLDER

Holds spray gun securely during transport and storage

## QUICK-CHANGE NOZZLE TIPS

0°, 25°, 40° and soap

## HIGH PRESSURE HOSE

Connects to the rear of the spray gun for maximum convenience

## EASY MANEUVERABILITY

Engine and pump are perfectly balanced over the axle for almost effortless maneuverability

## USER FRIENDLY CONTROLS

All in a single location, including on/off, choke, and fuel shutoff

## POWERFUL GENERAC OHV ENGINE

For maximum cleaning performance

## CONVENIENT ON-BOARD DETERGENT TANK (IF EQUIPPED)

1/2 gallon

## NEVER-FLAT WHEELS

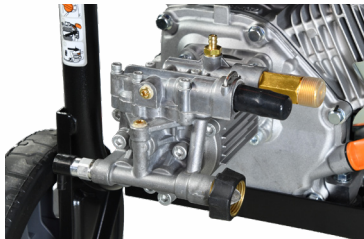

Easy transport on rugged terrain and up stairs

# ENGINEERED SPECIFICALLY TO MEET CUSTOMER NEEDS

## ACCESS

With Generac's OHV horizontal-shaft engine, the pump is well above the ground at the same level as the engine, making hose connections a snap—unlike vertical-shaft engines, where the hose connections are under the engine and more difficult to reach.

## MOBILITY

Generac designed this residential power washer with never-flat wheels for easy maneuverability, regardless of the terrain.

## COMFORT

Generac designed the spray gun with ergonomics in mind. The cushion grip improves comfort during cleaning. And you can hold the easy-to-pull spray trigger with minimal effort, reducing fatigue.

## CONVENIENCE

Generac integrated a 1/2 gallon on-board detergent tank for improved convenience. The detergent tank allows the utilization of detergent while power washing for added cleanliness.

\*Available on select models

## WHAT'S INCLUDED

- Power washer
- Spray gun
- Hose
- 4 quick-change nozzle tips
- First engine oil supply
- Owner's manual

### A Tradition of Quality and Innovation

For over 50 years, Generac Power Systems has been a leader in innovative design and superior manufacturing. When it comes to developing products that are both durable and reliable, we stand head and shoulders above our competition. The result of our efforts can be seen across our many product offerings.

We design and build engine-driven power generation equipment, automatic transfer switches, control systems, air-cooled engines, power washers and water pumps.

Regardless of the product, our vertical integration allows us to control the quality, availability and flow of materials throughout the manufacturing process. And each product is factory tested prior to shipment. It is this ongoing commitment to quality and innovation that has made Generac a name that people have come to trust.
